Overview:

Anyview is a tool used to provide access to transactional detail for your department. It is a web based program that requires a user name and password. All data may be exported to Excel easily. Several categories of data are available.

- 1. Account Transactions shows detail level of all transactions (expenses and revenue)
- 2. Budget Summary shows Budget Amount, Expended amount, Encumbered amount, Available amount in summary with an option to drill down on expended amount by account number.
- 3. Encumbered PO's- shows all encumbrances and the balance on the encumbrance
- 4. Payments/Receipts shows all payments related to a purchase order, travel requisition, or service contract (no payroll or chargeback information) for the current fiscal year.
- 5. PO History (multiyear) shows all payments related to a purchase order, travel requisition, or service contract for previous fiscal years. (no payroll or chargeback information)

Quick Tips:

- 1. Use the browser's back button to go back
- 2. To sort by a column click the header title
- 3. Clicking on folder names opens a search box
- 4. Clicking on the "world" will display all data in that folder
- 5. Be sure to click the "single page view" button

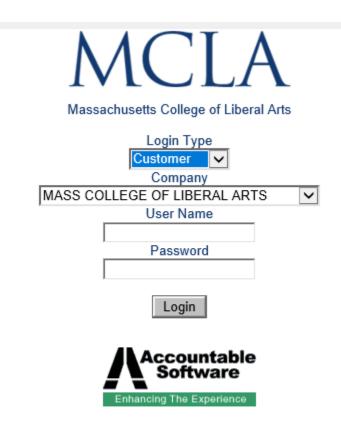

If you have questions about Anyview or accessing Anyview please contact Jen Dix in Admin & Finance at 413-662-5272 or j.dix@mcla.edu
