# ELEVATING YOUR CAREER STARTS WITH FURTHERING YOUR EDUCATION.

**WE MAKE LEARNING AS SIMPLE AND FLEXIBLE AS POSSIBLE.**

Classes are held one night per week for students who are managing work and family demands.

## **BACHELOR OF SCIENCE**

### **Business Administration**

This degree completion program will provide an opportunity to become academically and technically prepared for a career in business, government, nonprofit organization, or graduate study.

Designed for the student who has an associate's degree in Business Administration or an equivalent field, MCLA's degree completion program offers the opportunity to complete the college education you started, but haven't had the chance to finish.

## **BACHELOR OF ARTS**

### **Interdisciplinary Studies: Children, Families and Society**

This degree completion program is for early childhood educators. Attaining this degree will enable early childhood educators to meet requirements of the Department of Early Education and Care (EEC) under the Quality Rating and Improvement System (QRIS). The QRIS system aims to ensure children's healthy development by requiring early educators to have formal coursework in early childhood education as well as subject area content.

## **BACHELOR OF ARTS**

### **Interdisciplinary Studies: Leadership and Business**

This degree completion program provides the opportunity to combine real-world work experience and community service with coursework in leadership, management, facilitation, and communication. Graduates will have the knowledge and skills necessary for assuming leadership positions in our increasingly interconnected world.

## **BACHELOR OF ARTS**

### **Interdisciplinary Studies: Health and Human Services**

This degree completion program provides students with a broad based interdisciplinary education focusing on individuals who seek a career in a wide variety of professional settings in health care, human services, social services and related fields.
