

*Dear Townhouse Residents:*

*This email is to let you know that the Lost Wages Fund is now open for applications. As mentioned in our previous communication, this fund has a limited amount of money available to assist students with the unexpected loss of wages from off-campus employment due to the temporary lockdown order in the Townhouse Complex. It is not intended for regular expenses such as tuition, housing costs, monthly bills such as car payments, etc. It is also not intended for wages related to on campus employment, students will be compensated for that work if they are unable to do it remotely.*

*Students are limited to one request only based on the number of requests received.*
