

Good morning,

A quick note to let you know that we will begin employee asymptomatic testing this week. Similar to last year, employees are eligible for a weekly COVID-19 test at Health Services. This week's appointments are offered on a walk-in basis, located at Health Services.

Employee testing hours for the week of 8/30:

- **Tuesday, 8/31: 9-11, 1:30-2:30**
- **Wednesday, 9/1: 9-11, 1:30-2:30**

Employees with COVID-19 symptoms should not report to work and should contact their primary care provider and/or the Berkshire Health Systems COVID-19 hotline for testing guidelines and additional information (855-262-5465). Please do not test on campus if you are feeling ill.

We will communicate the testing schedule for the rest of the semester shortly. Thank you to our incomparable team in Health Services for their efforts as we welcome our community back to campus this fall!

Have a great beginning to the academic year,
Gina
